Hello Clement:

This message confirms that, upon reviewing your curriculum vitae, you have been nominated to Sigma Xi, The Scientific Research Society, affiliated with the University of California at Berkeley Chapter. Your nomination has been processed by the national organization and your membership certificate is being produced. Therefore, you are a member of Sigma Xi as of this message. Your nominators were Dr. Kevin Padian, UCB Professor and current President of the Berkeley Chapter and me. Sigma Xi has specific scientific credential criteria for nomination at two levels: Associate and Full membership. You were nominated to the more advanced Full membership. Details on the purpose of the Society and the membership criteria are described on various pages of the Society's website whose home page is sigmaxi.org.

Sincerely,

Phillip A. Lebednik, Ph.D.
Treasurer
Berkeley Chapter of Sigma Xi
