

April 9, 2014

Clement Riedel
QB3
642 Stanley Hall #3220
Berkeley, CA 94720-3220
UNITED STATES

To Whom It May Concern:

This letter is confirmation that Clement Riedel is current a member of the Biophysical Society.

The purpose of the Biophysical Society is to encourage the development and dissemination of knowledge in biophysics. Membership is open to scientists who share the stated purpose of the Society and who have educational, research or practical experience in biophysics or in an allied field.

To become a member of this professional Society requires outstanding achievements in biophysical research evidenced by significant research publications in well-established journals and contributions to Biophysical Society meetings.

Best regards,

Rosalba Kampman
