Dear Dr Riedel

TITLE: Contrast inversion in electrostatic force microscopy imaging of trapped charges: Tip-sample distance and dielectric constant dependence
AUTHORS: Dr C Riedel et al

I am writing concerning your paper which was recently accepted for publication in Nanotechnology. It was identified by the referee as an article of particular interest so we would like to make sure it is widely read.

I have attached to this email a Microsoft Excel spreadsheet template. Could

you please fill in the relevant names ('SALUTATION') and email addresses ('EMAIL') of up to 10 researchers in the field. Once filled in, please return your spreadsheet file to us via email – nano@iop.org <<mailto:nano@iop.org>>

Then as soon as your article is published on the Web we will send them an e-mail notification of your article with a link to the full text of the article on the Web.

Please let us know if you have any objections to us including your name in the e-mail.

We look forward to receiving your list of researchers soon.

Best regards
